[Poster Presentation]

Poster Sessions are held using Zoom Meeting

[Display Name]

Set your “Display Name” as follows:

Poster No. Family Name (Organization) Example: 7A-00 Tanaka (NIMS)

**Video recording and photo/screen
shots are strictly prohibited!**

1. Presentation Guidelines - Poster

➤ Display Name

If your display name does not appear as below, please rename it yourself.

Poster No. Family Name + (Organization)

You can change your display name by right-clicking your video panel and choose 'Rename'.

- Please stay in your room during the core time of the presentation and answer questions of participants that visit the room.

- Core time (JST)
 - Poster No. 7A: [AM] 9:00-10:30
 - Poster No. 8P: [PM] 17:30-19:00

- Please connect the Zoom meeting 15 minutes before the session starts. When you enter to Zoom Meeting for presenting your poster, you will find a room list. Please enter the room with your poster number and stay in the room during the core time of your poster presentation.

- You can use materials such as PPT or PDF files. Since you are sharing your screen, all types of files can be used.

2. Join Sessions

1. The only way to access the NDNC2022 Sessions is through the NDNC2022 Program website.

NDNC2022Program website:

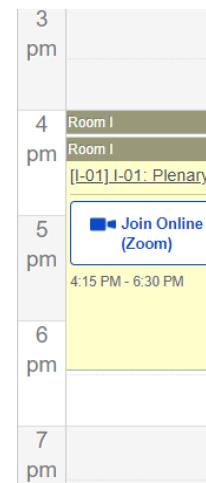

<https://confit.atlas.jp/ndnc2022?lang=en>

ID & Password are sent by e-mail on 3 June.

After logging in, click “Timetable” or “Sessions” at the menu on the left.

2. Click the Zoom icon in the program table to enter the session.

Oral Sessions: Zoom Webinar*

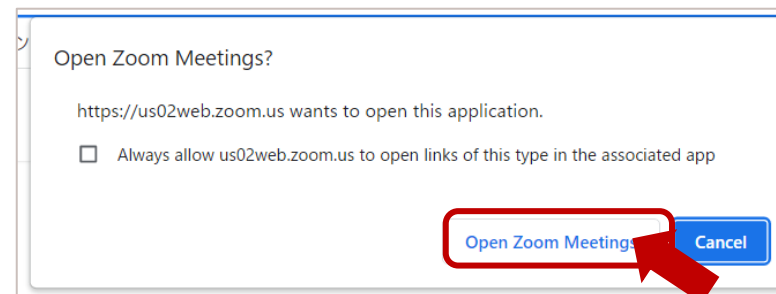

Poster Session: Zoom Meeting**

Virtual Exhibition: Zoom Meeting**

* Be sure to enter your registered e-mail address.

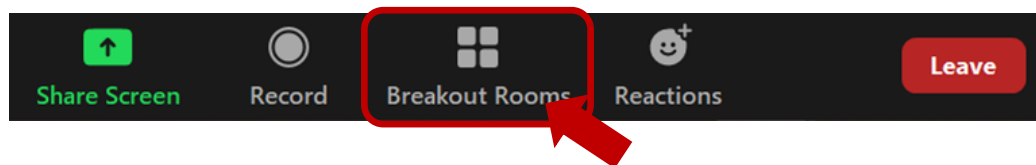

** Please change your display name accordingly if needed.

3. Please click “Open Zoom”.

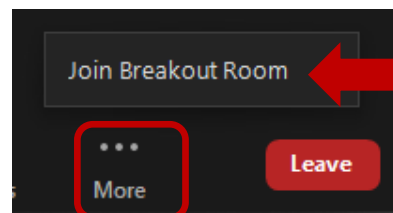

3. Tips for Zoom: Poster Session (Zoom Meeting)

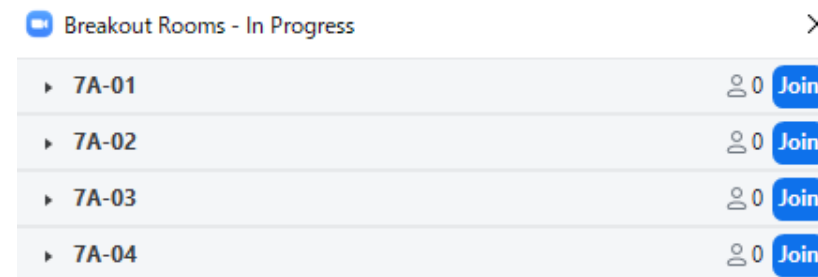

1. After entering the meeting, please click the 'Breakout Room' icon and go to the room which you want to join.

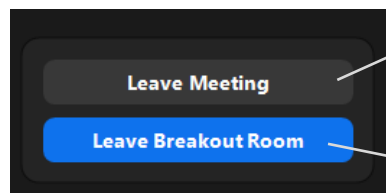

If the 'Breakout Rooms' icon is not visible, please click '⋮ (More)' to show the icon

2. By clicking 'Breakout Rooms', you can see a list with rooms that you can join. Click the 'Join' button of your poster No.

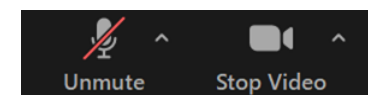

▪ When you want to leave the meeting, please click 'Leave Room' in bottom right. You will see 2 options, Leave Meeting and Leave Breakout Room.

Leave Meeting:
Leaving from Zoom Meeting. To join the meeting again, you need to access from the program website.

Leave Breakout Room:
Leaving from breakout room and staying in the meeting.

▪ Audio and Video Setting
When joining the poster session, please set your microphone Off (mute) and Video on. Please be sure that your microphone is unmuted when you start to talk.

Microphone Off (Mute) and Video on

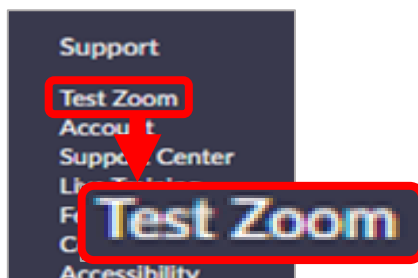

If you cannot hear anything, please check your audio setting from '^' on the right side of the Microphone icon.

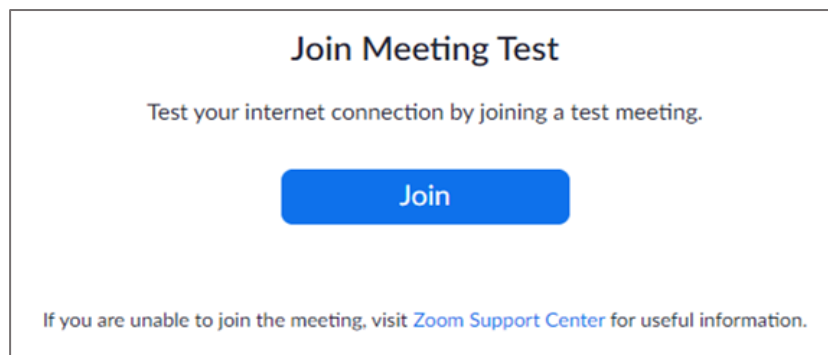

4. Test Zoom

You can test the Audio/Camera of the zoom meeting from your zoom client. Please check your camera and audio if needed. If you are worried about controlling some function buttons, please check them before the event.

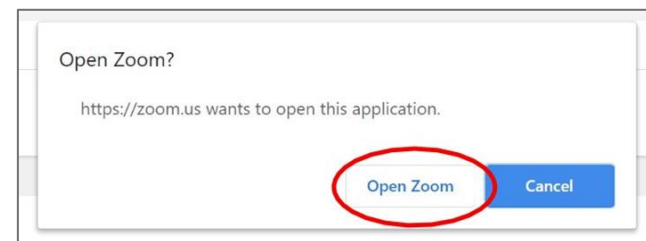

1. Scroll down to the bottom of the Zoom webpage and click 'Test Zoom'.

2. A window opens and asks to join a meeting test. Please click Join in the blue box.

3. You will be asked to open the Zoom Application. Please click 'Open Zoom' to do so.

4. The Zoom Application opens. Please try "screen sharing," "Audio/Camera setting" and more.
